Hi Robert,

No problem.

CAPT Sean-David Waterman mentioned yesterday on the ALL TEAMS' Call that
USPHS might be requested to respond to help EPA.

Take good care.

Theresa

Theresa:

We are swamped with the repercussions of the Gold King Mine Spill/Release and its down-stream impact in our Region, especially Navajo Nation. I will try and make the APHT-1 call today, but if I am not on it is because I am dealing with this incident.

Thanks.

-Robert
